

John R. Sette

Born: Newark, New Jersey 1947

Raised: East Brunswick, N.J.

Graduated Rutgers University 1969 with a BA in Economics

Worked in the Plastic industry until forming my own company in 1974. Hanover Plastics Corporation. We distribute plastic resin. In 1976 he purchased Premium Plastics Corporation with three partners. We had three plants in the United States and sold the business in 1988 to Hercules, Inc. Since then I have spent most of my time as a volunteer.
