Coming together is a beginning....The History of USA

USA Sanitation is a fully insured, licensed and DEP certified full service rubbish and Demolition Company, servicing all of Northern New Jersey. Our founder and CEO provides a strong foundation, for the company with decades of experience in the solid waste and demolition industry. Opening our doors with a strong background in refuse from the 1920's where it all began as Caravella Refuse, the knowledge and growth through the years bought the new generation to USA Sanitation which first opened their doors

in 1994. With the mass removal of daily waste along with the rapidly growing recycling services we provide, USA Sanitation provides quality and cost competitive waste services that can meet the demands of any commercial, industrial, residential, and governmental clientele .

### ***Keeping together is progress:***

The success of our company not only stems from trucking services we provide, but from the dedicated employees that help streamline the business from the inside. Here at USA there is no challenge too great for those who have the will and the heart to make it happen, teamwork is the fuel that allows our company to attain firm results. A full time dispatcher, whom oversees the trucks and is there to satisfy our customers needs. A sales team that oversees the customers to be sure they are 100% satisfied. A fulltime mechanic on board that enables us to have the trucks up and running on a daily basis, and the companies' operations department that oversee the overall functions of our business. Our companies' reputation has always been known to strongly tailor its services to the needs of every customer individually no job is too big or too small. We pride ourselves on being reputable, honest, reliable, and professional.
