

Working with automobiles has been in C&L Towing president **Charlie Napoli's** blood since birth.

"I always loved being around trucks, and I got my first tow truck the second I was old enough. The rest is history," explains Charlie.

Since 1984 and that first tow truck, C&L Towing has grown to six highly successful locations with over 80 pieces of state-of-the-art equipment and over 100 employees. C&L also has two auto body locations, in East Hanover and Kenvil.

Charlie Napoli's parents immigrated from Sicily, Italy and started their family in Newark. In 1974, when Charlie was 12, the family moved to East Hanover. Charlie has been a resident ever since.

"East Hanover is very special to me. I grew up here, I started my business here, and it's a great place to raise a family."

Charlie's family includes his wife Holly and three children- Amanda, CJ and Alaina.
