

The 2015 Morris County Columbus Day Parade's Entrepreneur of the Year is Dr. David Barrett III, Board Certified Chiropractic Sports Physician.

*Since 1990, Dr. Barrett has been President of **Denville Medical & Sports Rehabilitation Center**. Denville Medical & Sports Rehabilitation Center is a Multidisciplinary Facility located in Denville, New Jersey specializing in pain relief through the use of Physical Medicine. Denville Medical's board certified doctors and therapists specialize in Family Medicine, Internal Medicine, Sports Medicine, Pain Management, Nutritional Consulting, Chiropractic, Massage Therapy, Acupuncture and Physical Therapy. Denville Medical also offers a state-of-the-art Rehabilitation / Exercise Department for strengthening, conditioning, and performance enhancement, as well as a complete therapy suite for fast pain relief.*

*Dr. Barrett also serves as Owner-Director of **Global Nutraceuticals**. In an effort to create the best men's and women's daily supplement, Dr. Barrett interviewed hundreds of Doctors practicing integrative medicine, anti-aging medicine and nutrition as well as thousands of their patients. After much work and formulation, Global Nutraceuticals created a superior quality super supplement at an affordable price in convenient AM and PM Men's and Women's packets, thus eliminating over crowded vitamin cabinets and increasing patient compliance.*

*In addition to these companies, Dr. Barrett oversees **Pro Health Sports and Wellness Center** in Rockaway. He also serves as the **New Jersey P.B.A's Physician's Association Morris County Commissioner** and is **Founder of the Morris County Doctor's Speaker Bureau**.*

Dr. Barrett received his Biology associates degree from County College of Morris, his Bachelor of Science (Pre-Med, Biology) degree from William Paterson College (now University), and is a graduate of New York Chiropractic College.
